

# EH-LS100

## DATASHEET / BROCHURE

Our first laser, Full HD ultra-short-throw (UST) home cinema projector with 3LCD technology, projects images up to 130 inches (330cm).

Enjoy big screen entertainment without it affecting your home's style. While a wall mounted TV will always be on view, a projected image can disappear instantly. Our ultra-short-throw laser projector can be situated near to the display area, can be quickly set up, and delivers a great picture in bright rooms. It also offers great value with a long-life laser light source and extended warranty.

### No more big black boxes

There's no getting away from a big, black TV screen. But a projected display can disappear at the touch of a button. Forget intrusive screens and unsightly cables; choose the EH-LS100 to maintain the look of your home while still enjoying all of your favourite shows. From movies to sports and playing games, your home can become a multi-purpose space that captures the excitement of the big screen experience.

### Stress-free set up

This ultra-short-throw laser projector can be placed very close to the display area, while creating an image of up to 130 inches. Connect DVD players, games consoles and more, using the three HDMI inputs (including one MHL). With the iProjection app, it's effortless to control the projector.

### Superior picture quality

With 3LCD technology, you can enjoy vivid and lifelike images using this 4,000 lumens projector that has an equally high White and Colour Light Output (CLO). It's three times brighter than 1-chip DLP projectors<sup>1</sup>, and delivers defined shadow detail and deep blacks with its 2,500,000:1 contrast ratio. In addition, Detail Enhancement provides sharper and smoother pictures.

### Watch your favourite content for the next 10 years<sup>2</sup>

Sit back and enjoy movies, games and shows for the next 10 years<sup>2</sup> thanks to this projector's long-lasting laser light source. For total peace of mind, this projector comes with a five year warranty<sup>3</sup>.

## PRODUCT SPECIFICATIONS

### TECHNOLOGY

Projection System	3LCD Technology, RGB liquid crystal shutter
LCD Panel	0.67 inch with MLA (D10)

### IMAGE

Colour Light Output	4,000 lumen- 2,800 lumen (economy)
White Light Output	4,000 lumen - 2,800 lumen (economy)
Resolution	Full HD, 1920 x 1200, 16:10
Contrast Ratio	2,500,000 : 1
Keystone Correction	Manual vertical: $\pm 3^\circ$ , Manual horizontal $\pm 3^\circ$
Colour Reproduction	upto 1.07 billion colours
High Definition	Full HD

### OPTICAL

Projection Ratio	0.27 - 0.37:1
Zoom	Digital, Factor: 1.35
Image Size	70 inches - 130 inches
Projection Distance Wide/Tele	0.41 m - 0.78 m (90 inch screen)
Focal Distance	4.2 mm
Focus	Manual

### CONNECTIVITY

USB Display Function	2 in 1: Image / Mouse
Interfaces	USB 2.0 Type A (2x), USB 2.0 Type B, RS-232C, Ethernet interface (100 Base-TX / 10 Base-T), Wireless LAN IEEE 802.11b/g/n (optional), VGA in, VGA out, HDMI in (3x), Composite in, MHL, Stereo mini jack audio out, Stereo mini jack audio in (2x)
Epson iProjection App	Ad-Hoc / Infrastructure

### ADVANCED FEATURES

2D Colour Modes	Dynamic, Cinema, Bright Cinema
Features	Built-in speaker, Digital zoom, Instant on/off, JPEG Viewer, Long light source life, PC Free, Wireless LAN capable, iProjection App

### GENERAL

Energy Use	423 W, 332 W (economy), 0.5 W (standby), On mode power consumption as defined in JBMS-84 342 W
Product dimensions	494 x 437 x 188 mm (Width x Depth x Height)
Product weight	11 kg
Noise Level	Normal: 39 dB (A) - Economy: 30 dB (A)
Loudspeaker	16 W
Colour	Black
TCO Certified	Yes

### OTHER

Warranty	60 months Carry in or 12,000 h
